SAYS PRESIDENT OVERREACHING

(Associated Press Cable.)

WASHINGTON, D. C., June 28.—Two insistent Senators today attacked the actions of President Taft in connection with Canadian reciprocity. Canadian of Iowa and Borah of Idaho. Senator Cummins, during the discussion on reciprocity, declared that the President had usurped the powers of Congress and had exceeded his power in dealing with foreign nations upon revenue matters.

Borah Also Aggressive. Senator Borah stated that the President did not represent the majority of Republicans in Congress nor in the country, in reciprocity matters.

Earlier in the day Senator Cummins offered an amendment to the reciprocity agreement providing for the admission to this country of Canadian agricultural products free of duty.

Recommendations Dismissed. WASHINGTON, D. C., June 28.—The House subcommittee which has been investigating the expenditures in the State Department today recommended the dismissal of William Michael, consul-general of the United States at Calcutta, India, and former chief clerk of the State Department.

The committee also made a recommendation for the dismissal of Thomas Morrison, disbursing clerk of the State Department, for the misapplication of the department's funds in connection with the purchase of a portrait of Associate Justice Day of the Supreme Court.

DEADLY STORM ON JAPANESE COAST. (Special Cable to the Hawaii Ship.) TOKIO, June 28.—Word has been received here of great loss of life and heavy damage in the Prefectures of Kochi and Yamaguchi, caused by a severe storm which raged there on June 18 and 19.

Several hundred fishing boats are reported lost off the Kochi coast, as well as a number of coral fishing boats, and many lives lost in the wrecks.

South Pole Expedition. TOKIO, June 28.—Captain Nomura of the Kaimaru, the ship of the Japanese South Pole expedition, and Lieutenant Shirase, who is in charge of the expedition, returned to Nagasaki on June 19, to report progress and the condition of the party and ship, which was left in winter quarters near Sydney, Australia.

The main reason for the return of the leaders of the expedition is to prepare for continuing the expedition. Lieutenant Shirase states that the crew is full of strength, energy and enthusiasm, and the members say they will yet reach the South Pole or die making the attempt.

Temporary Set Back. The lieutenant asserted that his ship reached as far south as 57 degrees, but could not find a landing place to winter in and was forced to return to Sydney. The compass was also out of order.

He states that when further preparations have been made the expedition will go forward again.

NO IMMUNITY, SAYS McMANIGAL. LOS ANGELES, June 28.—In an interview here today, Otis McManigal, who has turned state's evidence in connection with the blowing up of the Los Angeles Times building, denies that he has been promised immunity in return for his testimony
